### 1 9 5 5 I N T R O D U C T I O N S

Plants \$2.25 each, five for \$10.00. Leaves 50¢

OMAR ROSE - Very large red-violet double flowers on long stems held well above the foliage. The large olive green leaves make a perfect background for the rose like blossoms. A most attractive plant.

LACE PETTICOATS - (Hammond) Leaves long, pointed, medium green, margins slightly waved. Large clusters of fully double blossoms, deep blue with frosty white edges. (Available after first of June.)

CAHRENE - Large light red-lavender flowers with a cluster of five to ten smaller petals in the upper portion of the flower. The foliage and habit of growth like Omar Rose. Very outstanding.

CARNATION QUEEN - (Hammond) Plain, medium green leaves. Huge fluffy double flowers, deep purplish blue, edged with a twinkle of white.

RED STAR - Large, violet-red flowers with the eye and the middle of each petal slightly darker. Attractive girl type foliage. One of the best "Red Girls".

ROYAL ROBE - (Hammond) Leaves clear, bright green, waved and rippled, with sharply notched margins. Blossoms slightly waved, deep red-violet generously edged with white. A must in your collection.

SUNKISSED BEAUTY - An abundance of ruffled, red-lavender, cup shaped flowers. Medium to dark green leaves, slightly waved. Just what the name indicates.
